

CHÂTEAU DALEM

Fronsac

Estate

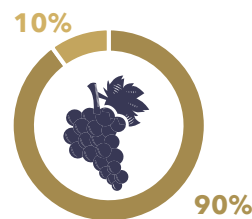

The estate sets in Saillans, atop the Fronsac plateau from which it overlooks the Dordogne Valley.

Brigitte Rullier is the owner of this rising estate since 2002. Thanks to an acquisition program, the vineyard has gained 25 hectares over the last years. It is now composed of a palette of micro terroirs which represents Dalem's identity : from clay and limestone soils, limestone dominated on the plateau edge, along with south and north facing coteaux.

We love Dalem, not only because its owner Brigitte Rullier is lovely and talented, but also because the wine is of tremendous quality for this price point. This estate is definitely the most improved and consistent Fronsac wines of the last decade. The investments in the state-of-the-art cuvier are another proof of it!

Planted Varietals

- Merlot
- Cabernert Franc

Vineyard & Winemaking

Vineyard	35 Ha
Age	38 years
Density	6,000 to 6,500 vines/Ha
Farming	Sustainable, HVE 3 certified
Harvest	100% manual
Yields	35 Hls./Ha

Soil composition

Thin clay
and limestone

Fermentation	Winemaking is entirely conducted with no use of SO ₂ . Fermentation in stainless steel vats. Malo in barrels.
Aging	14 to 18 months in new and one wine old barrels. <i>Microbullage</i> during aging.
Production	70,000 bts
Oenologist	Eric Boissenot since the 2019 vintage
