

# DOMAINE DU BOUSCAT « La Gargone »

## Bordeaux Supérieur

### The Estate

This south-facing hillside vineyard overlooks the Dordogne River Valley, just west of the Fronsac appellation. It has been in the Dubernard family since the end of the 19th century, François Dubernard, a very likeable young man is the fifth generation to manage the family estate.

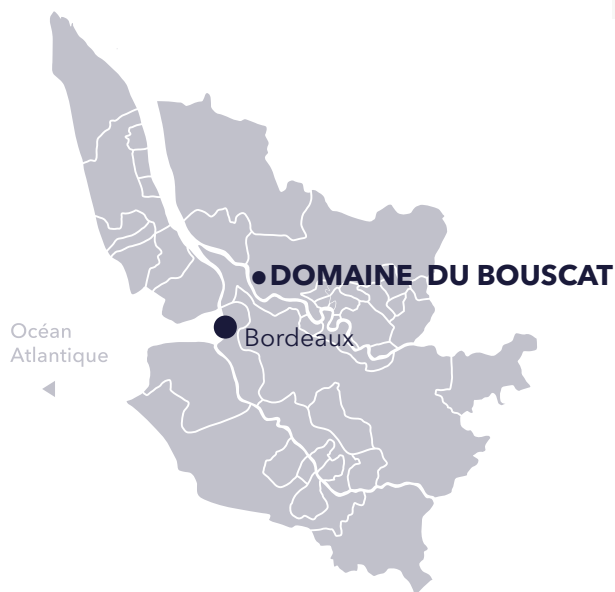

We've been following his hard work over the last fifteen years. He is to be commended for his selfless efforts that have allowed him to produce wines with richness and energy : Caduce, La Gargone, Les Portes de l'Am.. and Belle-Annie, named after François' mother

This *cuvée* " La Gargone" is produced from a single, 3.3-hectare-vineyard.

Kuddos to this Bordeaux "really" Supérieur!
