

DOMAINE DU BOUSCAT « Les Portes de L'Am.. »

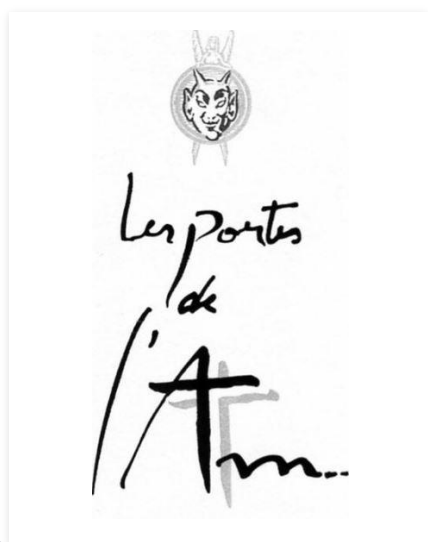

Bordeaux Supérieur

The Estate

This south-facing hillside vineyard overlooks the Dordogne River Valley, just west of the Fronsac appellation. It has been in the Dubernard family since the end of the 19th century, François Dubernard, a very likeable young man is the fifth generation to manage the family estate.

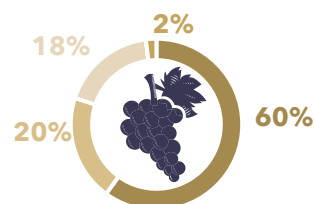

We've been following his hard work over the last fifteen years. He is to be commended for his selfless efforts that have allowed him to produce wines with richness and energy : Caduce, La Gargone, Les Portes de l'Am.. and Belle-Annie.

Portes de L'Am.., his top-of-the-line cuvée hales from a tiny, portion of François' vineyard. Change your mind on Bordeaux Supérieur, this precise wine will surprise anyone by its balance, and truffle pallet !
