

CLOS DE LA MOLENIE Blanc

Bordeaux Blanc

The Estate

Sylvain and Kim Destrieux are the owner of this hidden gem which lies on one of the single best sites in all the Entre-Deux-Mer region, southeast of Bordeaux.

This lovely couple has released their first vintage in 2020, production is tiny, but the wine is huge !

The vineyard has been organically farmed since 2015 and as such it is both organically and biodynamically certified.

Kim and Sylvain craft confidential and exceptional *cuvées* mostly aged in amphorae. Nothing in the style of the wine or the shape of the bottle is Bordeaux-like, demonstrating convincingly that Bordeaux is still full of succulent surprises!
